CANDIDATES MESSAGE TO VOTERS:

Jonathan Addo (Papa Joe)

As a final-year Electronics Engineering student, IT Project Manager and an instructor, I am well positioned to project the student body's viewpoint on the Board. My experience managing international projects across Africa, Europe, and the Americas, alongside my leadership, communication, and problem-solving skills, will equip me to contribute effectively to NBCC's governance. With a background in Projects, Engineering, and Finance and owning a learning institution, I can understand and advocate for student perspectives and propose innovative solutions to improve the teaching and learning experience. I am passionate about fostering transparency and prioritizing student success to create a more esteemed institution.

Oluwatobi Elizabeth Adeodu

Travis Boyce

As a Social Service Community Work student, supporting our community is my passion and career. As student governor, I will listen and ensure our diverse voices are heard. Together, we can build a culture of support, unity, and pride at NBCC that lasts for years to come.

Jessica Gallant

Hello New Brunswick Community College Students!

My name is Jessica Gallant, and I'm running for the Student Board of Governors position through the Administrative Professional course.
